

# LapCabby loves Chromebooks

LapCabby

New thinking in ICT storage

From the local library to the school classroom, Chromebooks are everywhere. And no matter which type of Chromebook you use in your workplace, there's a LapCabby trolley to keep them safe, charged and ready to go.

Every LapCabby unit in our range is compatible with all manufacturers and packed with innovative features. It's what makes us different, and just one of the reasons we're UK market leaders.
